

## FREELANCE ASSOCIATE CREATIVE DIRECTOR / COPY

# Hi there! I'm Blythe Green.

I'm an extremely strategic ACD (Copy) with an eye for design and over 7 years of experience writing, concepting, and working collaboratively with teams of all sizes. I've tackled high-profile clients and countless new business pitches at large agencies. I've built tone and voice guidelines from scratch on in-house creative teams. At global PR firms, I've sold in crazy ideas that made headlines and boosted engagement. Oh, and I've been running a side biz since 2016 where I've played every role you can possibly imagine. **TL;DR: I've got what it takes.**
